Weizmann Institute of Science ("WIS")

WIS Academic License

For PROMISE

("**Software**")

The Software includes a collection of python scripts executing on HPC Linux environment.

Please be advised that as the rights and title in and to the Software vest in WIS and thus constitute a valuable asset of WIS, WIS requires that the Software shall be provided to you under the terms below.

Academic non-commercial distribution and use of the Software (with associated documentation) are permitted, provided that the following conditions are met:

You may use the Software solely for academic non-commercial use.

You may not modify, decompile, reverse engineer or disassemble the Software.

You acknowledge that no right is granted hereunder to any enhancement or update of the Software.

You acknowledge that the Software may be the subject of a patent application, and that it contains, or may contain, copyrighted material, trade secrets, trademarks and other proprietary information owned by WIS. This license does not grant you any rights to patents, copyrights, trade secrets, trade names, trademarks (whether registered or unregistered), domain names or any other rights, functions or licenses in respect of the Software. Your use of the Software is permitted only to the extent that it does not, or it is not used for infringement of any WIS intellectual property unless WIS prior written consent has been granted.

You must retain and may not alter or remove copyright notices or this license.

You may not sub-license, assign or transfer your rights under this license to any commercial third party. In any case, distribution must include this license.

You may not use WIS or any of its related entities' names or the name of any of its employees (both scientists and others) (hereinafter: "WIS Employees") to endorse or promote any outcome derived from the use of the Software without WIS prior written consent.

This Software, being a research tool, has not been fully investigated and consequently is supplied entirely at your risk. The software is provided on an 'as is' and 'as available' basis with all faults. WIS makes no representations and extends no warranties of any kind, either expressed or implied. Without derogating from the foregoing, there are no express or implied warranties that the Software will meet your requirements or that use of the software will be error free, uninterrupted, or secure. You hereby acknowledge that the

Software may contain bugs, viruses or other errors. WIS and WIS Employees expressly disclaim all implied warranties, including but not limited to warranty of title, merchantability, fitness for a particular purpose or non-infringement of third party rights. You shall be solely responsible for any resulting damage to your computer systems or loss of data.

WIS and WIS Employees disclaim any liability for loss or damages arising from your use of the Software. You assume all risks, resulting from acceptance and use of the Software, to yourself and to others. WIS or any of WIS Employees will not be liable for any loss or claim or demands made by you, or for any loss or claim or demands made against you by other parties due to your use of the Software. No indemnification is provided or intended.

This license will terminate automatically in case any of the above conditions is not met.
